Mr. Mies van der Rohe
Illinois Institute of Technology
Chicago, Illinois

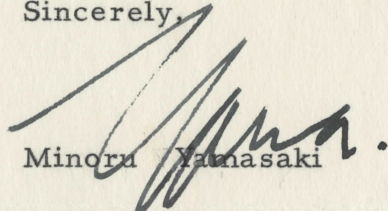

Dear Mr. van der Rohe:

On looking over the program for the conference in
Ann Arbor for next weekend I find that you are
one of the speakers.

We plan to give a party on Saturday evening for several
of the people participating in the conference and would
be very honored to have you attend.

May I hear from you?

Sincerely,

Minoru Yamasaki
